

## MEMORY GAME

Why did you decide to leave your last job/ present job?	I have learnt a lot in my company, but I am ready for a new challenge.
---	--

Can you give us one example of something you have achieved?	In my previous position I helped my team double sales.
---	--

Is there anything about this company that made you choose us?	I've been reading a lot about your industry, and you seem to have some original ideas.
---	--

When can you start?	If you could let me know by next week, I could start at the beginning of the new year.
---------------------	--

Is there anything you would like to ask?	No, I think you've told me everything I need to know thanks.
--	--

Tell us something about your personality.	I think most people would say I am quite serious at work but also good fun when we go out.

Each question and answer will be written on a separate card for the students to play the game.
